**INFORMATION LETTER № 1**

**Dear colleagues!**

We invite you to take part in the international scientific conference

**«PROBLEMS OF MODELING OF SOCIAL PROCESSES:  
RUSSIA AND ASIA-PACIFIC COUNTRIES»**

October 17 – 18, 2019

Venue: Russia, Vladivostok, FEFU campus, School of arts and Humanities

In the XXI century, the focus of world activity is increasingly shifting to the Asia-Pacific region. The expansion of interaction between Russian regions and Asia-Pacific countries is one of the key means of functional cooperation at the micro- (personal and group interaction), meso- (institutional and organizational interaction) and macro-levels (regional and state interaction).

The conference will discuss demographic and migration processes in the Asia-Pacific region and various Russian regions; current problems of social institutions, including the problems of family and childhood, problems of civil society, education and science; problems of applying qualitative and quantitative methodology in sociological research; opportunities and problems of applying natural science methods in social research, including methods of mathematical modeling, mapping, methods of network analysis, etc.

The discussion is open to teachers and researchers, graduate students, employees of education and science, practical sociologists, entrepreneurs, representatives of public organizations.

The conference structure includes the following main sections:

*1 Social institutions: current status, problems and models of development.*

*2 Asia-Pacific region: the practice of sociological studies.*

*3 Methodology and methods of sociological studies.*

As part of the conference, it is also planned to hold a visiting meeting of the Educational and Methodical Council in the direction of «Sociology» of the Federal Educational and Methodical Association in the higher education system in the enlarged groups of specialties and areas of training 39.00.00 Sociology and social work.

Submitted articles will be published and placed in RISC e-base.

Travel and accommodation costs are paid by foreign participants.

Working languages: Russian, English.
