Chinese Government Scholarship Program

XI'AN JIAOTONG UNIVERSITY
SCHOOL OF INTERNATIONAL EDUCATION

University Introduction

As one of the universities with the longest history and global reputation in China, Xi'an Jiaotong University is among the first universities to enter China's "211 Project" and "985 Project." After 120 years of relentless effort, Xi'an Jiaotong University is now a leading international comprehensive research university with scientific focus, composing of 10 branches of learning, namely: science, engineering, medicine, economics, management, literature, law, philosophy, education and art.

Xi'an Jiaotong University is located in Xi'an, the capital of 13 dynasties in Chinese history with the longest history and the greatest influence. Xi'an is also the starting point of the Silk Road, the cradle of Chinese civilization, as well as one of the World's Top Four Ancient Capitals. Today, being the hometown of current Chinese President Xi Jinping, Xi'an is not only the heart of western China, but also a preferred destination for international tourists, including over 200 of the world's top leaders such as Elizabeth II, George Bush, Vladimir Putin, etc.

As one of the first universities to receive Chinese Government Scholarship students, Xi'an Jiaotong University is now rapidly developing in international education. In 2013, XJTU was listed by the Ministry of Education of China as the Demonstration Base for International Education. Today, there are over 2,000 international students studying at XJTU from 86 countries including America, Pakistan, France, Italy, Turkey, Iran, Kazakhstan, India, Thailand, Korea, etc., of which 300 are sponsored by the Chinese Government Scholarship.
